

# Manse Elementary School

---

2019 - 2020

# Innovation

---

This year our classrooms have one to one chromebooks.

We have two combo classes this year, a K-1 and a 4-5. These classrooms are using Zearn to teach Math and Engage New York for ELA. These curriculums engage students with digital learning for part of the day.

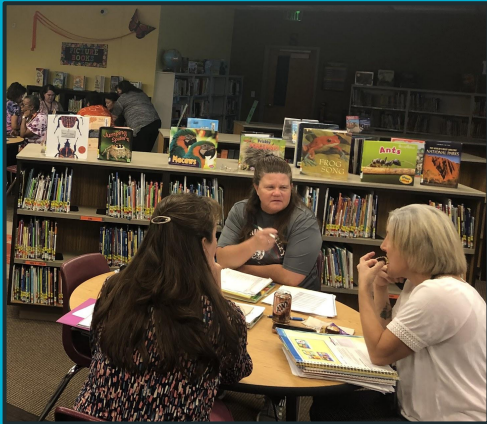

# Growth

---

Teaching-Learning cycle to use data to make instructional decisions during PLC time.

Instructional Coaches support each PLC team at least twice per week.

# Recommendation

---

Manse uses Facebook, Instagram, Class Dojo, and the new school website to promote the positive culture of the school. Check us out at:

@ManseHawks\_

# Attendance

---

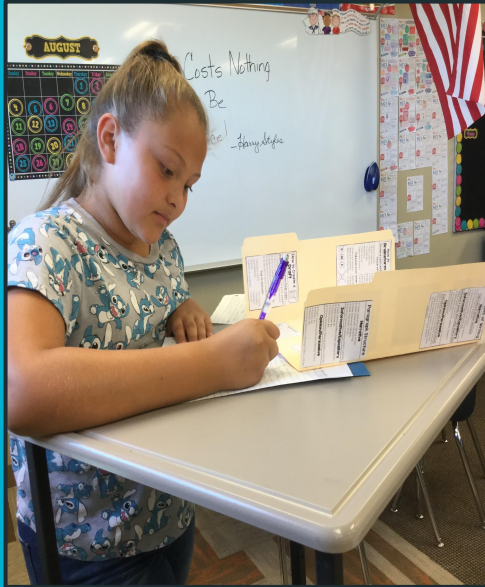

- Monthly perfect attendance lunches for students
- Daily phone calls to parents
- School social worker communicating with parents
- Parent recognition
- Attendance letters

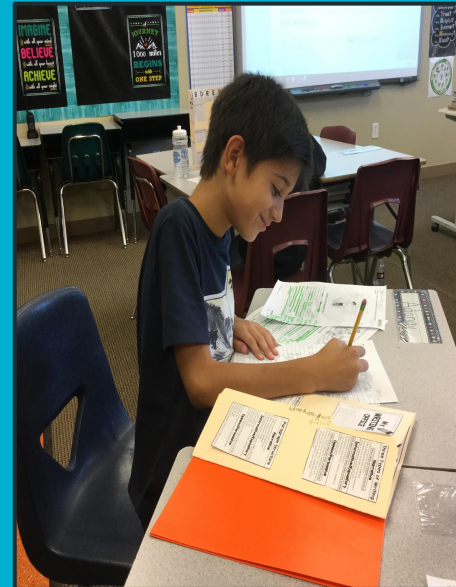

# Diploma

---

Teachers are challenging students with rigorous activities on a daily basis!

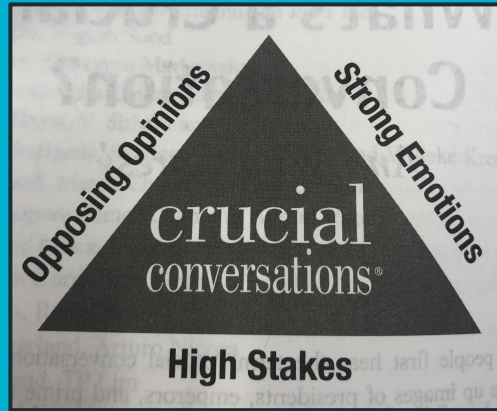

5th grade students creating a Writing Office, which contains suggestions such as: hooks, homophones, transitions, and conclusions. Here they are using this tool while writing essays.

# Efficiency

---

Leadership team meets biweekly to build capacity as leaders and support our SPP action steps. We are beginning a book study to strengthen our capacity.

# Safety

---

Student expectations are taught during rotations the first week of school, and reinforced through positive reinforcement, modeling, and posters in each area of the school.
