Financial Projection Schedules -
Income Tax Basis and
Independent Accountant's Report

As of March 19, 2024
For the Period March 19, 2024
through December 31, 2058

Independent Accountant's Report

To the Members of:
Community School of the Arts,
Institute for the Creative Arts,
CCA Fort Smith Investment Fund, LLC,
Civic Builders Sub-CDE 22 LLC and
Center for the Creative Arts, Inc. (collectively, the "Companies")

Re: Community School of the Arts (the "Project")

Management is responsible for the accompanying projection of the Project, which comprises sources and uses of funds, projected cash flow, projected taxable income (loss) and other projected data as of March 19, 2024, and for the period March 19, 2024 through December 31, 2058 (the "Projection"), and the related summaries of significant assumptions and accounting policies in accordance with guidelines for the presentation of a projection established by the American Institute of Certified Public Accountants (AICPA). We have performed a compilation engagement in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the AICPA. We did not examine or review the Projection nor were we required to perform any procedures to verify the accuracy or completeness of the information provided by management. Accordingly, we do not express an opinion, a conclusion, nor provide any form of assurance on the accompanying Projection.

The projected results may not be achieved, as there will usually be differences between the projected and actual results because events and circumstances frequently do not occur as expected, and these differences may be material. We have no responsibility to update this report for events and circumstances occurring after the date of this report.

Management has elected to omit substantially all the disclosures required by guidelines for the presentation of a projection established by the AICPA. If the omitted disclosures were included in the projection, they might influence the user's conclusions about the Project's financial position, results of operations, and cash flows for the projected period. Accordingly, this Projection is not designed for those who are not informed about such matters.

AICPA presentation guidelines require the projection to disclose that it is prepared in accordance with the income tax basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Management has not disclosed this matter.

The accompanying Projection and this report are intended solely for the information and use of the Members of the Companies and are not intended to be and should not be used by anyone other than these specified parties.

CENTER FOR THE CREATIVE ARTS, INC. REFINANCE ANALYSIS

Note: This financial projection is presented on the income tax basis of accounting, which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America.

The projected schedules were prepared to assist the owners in analyzing the potential value of syndication of the project with a corporate investor. Accordingly, the projected schedules should not be used for other purposes. The assumptions contained herein are those that management believes are significant to the projections and are based on management's judgment at the time this projection was prepared. Management believes that the corporate investor will consummate the transaction. Furthermore, even if the corporate investor consummates the transaction, there will usually be differences between projected and actual results because events and circumstances frequently do not occur as expected and those differences may be material.
