ICMS AWARDS PROGRAM

Middle School students will be recognized for their academic achievements on Thursday, May 21st at 2:00. Teachers recognize students that have top academic performance, but also like to acknowledge students that have worked really hard, no matter how difficult the content was (Tough Cookie) and have worked hard to show improvement throughout the year (Rising Phoenix). We also recognize students who have a positive outlook and try to be a bright spot in our days (Sunshine Award).

MIDDLE SCHOOL WAX MUSEUM

Students from Mrs. Yana-White's 8th grade and Ms. Born's 6th grade Social Studies classes will be hosting a Wax Museum featuring important people from the past and present who have helped shape our world. Students will be dressed as influential historical figures and modern-day changemakers, bringing history to life through presentations. This has traditionally been an 8th Grade project, but with the shift in teaching staff this past year, we are making the transition from 8th Grade to 6th Grade over these next 2 years. By introducing this in multiple grade levels, all 6th - 8th grade students in the building this year will have presented a historical figure by the end of their 8th grade year. Step into history with us on May 20th from 9:00-11:00 AM in the ICHS Gym!

4th QUARTER CELEBRATION

The Middle School PBIS 4th Quarter Celebration will be held on Monday, May 18th. Students that earned the celebration will get to choose between Bowling and Roller Skating in Springfield. Students are being rewarded for their positive behavior and working hard in their classes.
