Dr. Hellrigel,

I am interested in the high school special education position. I have enjoyed my time at the middle school for the past three years. I am confident that my experience in the middle school will be an asset because of the relationships I've built with students and my experience co-teaching. My resume is on file with the district office, if you need it updated at all please let me know.

I look forward to speaking with you to discuss how my experience and abilities match your needs. Don't hesitate to contact me at [willis@midwestcentral.org](mailto:willis@midwestcentral.org) should you have any questions. I look forward to speaking with you.

Sincerely,

Danielle Willis
