Re: Letter of Recommendation for Hire

Date: April 8, 2026

Dear Dr. Andrew Dick and Scottsbluff School Board of Education,

I am excited to recommend Mrs. Myrranda Kelley for our Health Science teaching position. Mrs. Kelley brings an extensive background in medical care, having worked as a Registered Nurse at Regional West Medical Center and currently working for Panhandle Public Health. Mrs. Kelley is familiar with our school and students, having guest-taught numerous lessons in her role at Panhandle Public Health. Recommendations cited her knowledge of medicine and care, organization skills, and ability to form positive student relationships as notable strengths. Strengths we have observed when she has worked with our students.

In addition to her background, Mrs. Kelley is a lifelong community member and has several of her own students attending Scottsbluff Public Schools. She will be a great addition to SHS, and we look forward to her working with our students and having a positive impact within our school.

Sincerely,

Justin Shaddick
Principal
