Projects

- We have awarded the bid for a new cooler box for East Minico to BS&R Equipment out of Twin Falls for \$17,865.61. This price includes tear down of old box and set up of new box. They will also hook up the refrigeration.
- We will award the bid for new ovens at Minico, Rupert Elementary, East Minico and West Minico as soon as the state approves the bids.
- We have started our summer programs and everything has been going well. We would encourage any of you to come by any of the four parks and see how we do the lunch in the park program. At least drive by and check out our nice flags that we put up for advertising and our colorful tie died shirts that we are wearing.

We thank you for your support.
