Dear Dr. Dick and the Scottsbluff Board of Education,

It gives me great pleasure to recommend Mr. Ethan Gion as a special education teacher for the Scottsbluff Public Schools beginning with the 2026-2027 school year. Mr. Gion is completing his degree from Chadron State College and will be working under a temporary teaching license. He has 3 years of experience as a paraprofessional within our district. We are excited to have Mr. Ethan Gion join the Scottsbluff Public Schools.

Sincerely,

Dr. Wendy Kemling-Horner
