

Our Mission:

We cultivate excellence in locally-governed school districts.

Core Beliefs:

- The basic life needs of children must be met for them to succeed.
- Meeting the unique educational needs of all students must be the foundation of our school systems.
- The governance of publicly-funded schools must lie with locally-elected and publicly-accountable governing boards.
- The responsibility for student success is shared by students, parents, governing board, district staff and the community.
- Public education funding must be broad-based, stable and at a level that assures all students are successful.
- Knowledgeable and professionally trained governing board members are fundamental for ensuring student success.
- Closing the opportunity and achievement gap is a moral and economic imperative that must be addressed to ensure all Arizona's students are successful.
