

POLITICAL CANDIDATES

The Board is a non-partisan public body and, as such, will not endorse political candidates. The Board may, from time to time, support positions on public issues that impact the school district. No one will disseminate candidate campaign materials at school district sites during school hours nor will district equipment or other resources be used to disseminate candidate campaign materials.

Should a political entity rent one of the district facilities for use, it may disseminate its campaign materials during that rental usage time, in accordance with school district policy. When facilities are used for polling purposes, state and federal regulations will apply.

The state or county central committee shall be granted the use of a room without rental charge in a presidential election year for any purpose, including conducting precinct or caucus meetings, without charge during other years for the purpose of conducting precinct meetings and at a charge not greater than that made for its use by other groups during other years for purposes other than conducting precinct meetings. However, the District will charge for custodial services.
