- C1 The Equal Access Act (EAA) requires a secondary school that receives federal funding and allows a *limited open forum* to grant fair opportunity or equal access to students who wish to conduct a meeting within that limited open forum without regard to the religious, political, philosophical, or other content of the speech at such a meeting. A secondary school has a *limited open forum* whenever it “grants an offering to or opportunity for one or more noncurriculum-related student groups to meet on school premises during noninstructional time.” 20 U.S.C. §4071(a). **Issue 122, June 2026**
