Dear Dr. Hampton at Joliet Township HSD 204,

Pursuant to the Illinois Freedom of Information Act, I respectfully request copies of the most recent electric utility bills (ideally between June 1, 2024 - June 1, 2026) for your high school facilities.

If the account receives electric supply from a third-party retail electric supplier rather than the utility's default supply service, please provide both:

1. The complete utility bill issued by the electric utility (e.g., ComEd, Ameren Illinois, or another electric distribution utility); and
2. Any separate bill, invoice, statement, or other documentation issued by the third-party electric supplier for the same billing period.

If supply charges are included on a consolidated utility bill, please provide the complete consolidated bill and any related supplier documentation.

For each electric account, please provide the most recent complete bill in PDF format, including all pages, account summaries, attachments, and supporting documentation. Please ensure that the records include all available account information and billing details, including but not limited to:

- Utility and/or third-party electric supplier
- Utility account number(s)
- Service address(es)
- Billing period
- Meter number(s)
- Service classification and rate tariff
- Electric usage (kWh), demand (kW), and other billed quantities
- Delivery charges
- Supply charges

- Taxes, riders, fees, adjustments, and other applicable charges
- Any account, service, or premise identifiers appearing on the bill

Please provide these records electronically in their native PDF format via email, if available.

If any portion of the requested records is withheld or redacted, please identify the specific exemption under the Illinois Freedom of Information Act that is being relied upon and provide all non-exempt portions of the records.

Thank you for your assistance.
