

Agenda Topic: School Financing Tools Overview  
Meeting Date: March 17, 2026  
Contact Person: Shari Thompson

---

Background:

Ehlers Public Finance Advisors has been Roseville Area Schools' long-time advisory firm for financial and referendum planning, debt issuance and management, and comprehensive post-issuance services.

We want to take this opportunity to update the board on the services provided, a review of the district's long-term debt, and future opportunities to reduce overall debt and the resulting savings to our taxpayers.

A representative from Ehlers Inc. will be present at the meeting to review the presentation.

---

Recommendation:

Action Required

Informational – No Board Action Requested
