

MPMS Board Notes - March 2026

MPMS Principal, Don Jackson:

Dear Board members,

We are off and running into the month of March with finishing up benchmarks and checking our data that will show us how to guide our Pre-STAAR interventions.

The system at MPMS for STAAR prep is still in place and we are digging into our data to make sure that all students have the opportunity to maximize their potential.

I am so proud that we have a staff that has accepted the challenge of educating our students at a high level knowing that all kids can learn. I am so happy that systems are in place to assure that learning is our priority. Yes, the work is hard, but our resilience helps us to do hard things well.

We are on the cusp of success and achievement as we walk through our challenges together as a team.

We have introduced a challenge for our students for the final 4th Quarter push — and we are doing the same for staff members. Our students will be participating in a Grade Level challenge for Attendance, and the grade level with the highest attendance will win an awesome prize near the end of the school year. Staff members with the highest attendance for the remainder of the school year will be rewarded as well.

It is our goal to finish with professionalism, discipline, relationships, and HIGH EXPECTATIONS of ourselves and others!

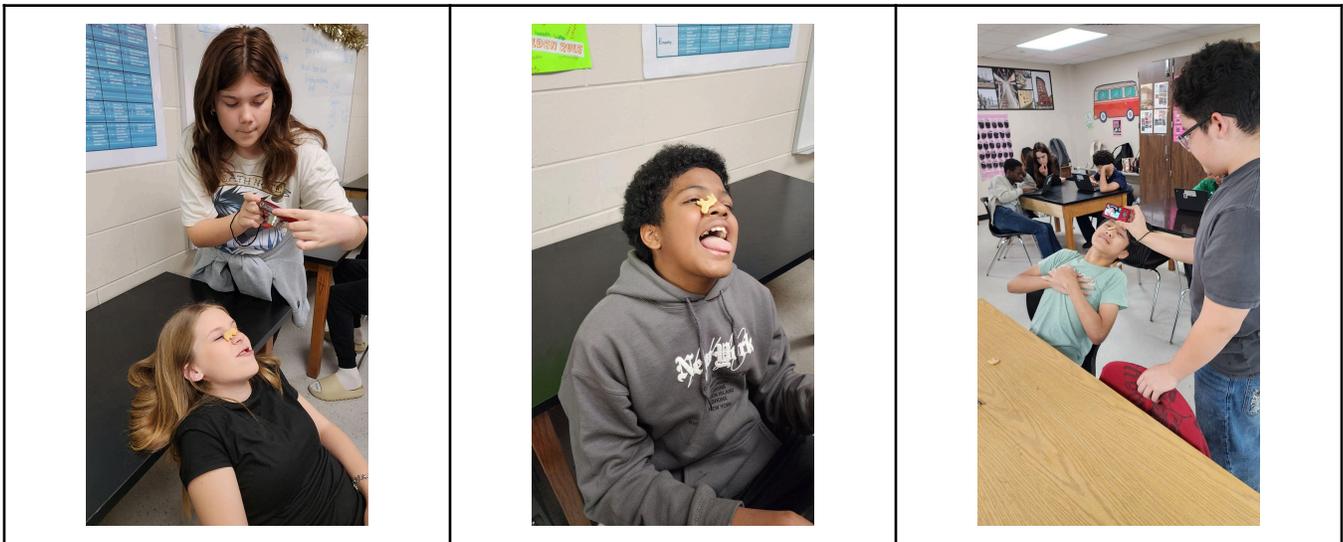

Thank you,

Don Jackson- Principal MPMS

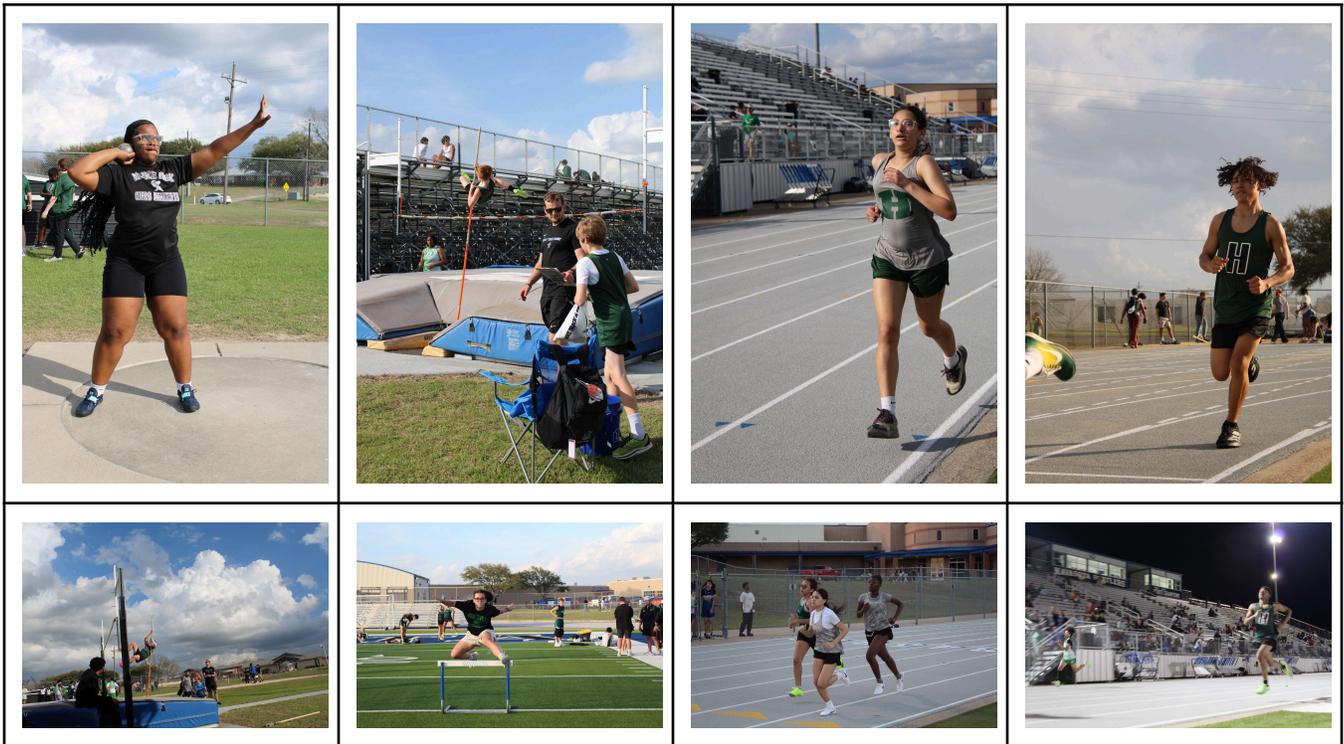

Special Olympics:

Photojournalism - "COOKIE Challenge" Photo Lab

MPMS Track:

Boys to Men and the Cooking Club: They gave sweet treats to the faculty & staff for Valentine's Day.

Events:

MPMS FCCLA competed in Galveston.
