

PUTNAM COUNTY COMMUNITY UNIT SCHOOL DISTRICT #535

Recommendation for the Board of Education

Meeting: May 19th, 2026

Item: Approval of Instructional Resource Rotation through 2029-2030

Recommendation: On behalf of the District EPIC Committee, I recommend the Board of Education approve the instructional resources rotation through the 2029–2030 school year. This rotation was first established during the 2022–2023 school year to help ensure all grade levels and academic subject areas maintain up-to-date and appropriate instructional resources.

The rotation schedule serves as a framework for reviewing instructional resources and planning potential purchases. Prior to the implementation of this rotation, the District did not have a cohesive process for routinely reviewing teaching and learning materials, including subscriptions. The District EPIC Committee now uses the rotation to guide review cycles and recommendations for instructional materials. Additionally, the rotation allows the District to more effectively budget for subscriptions and resource procurements.
