- ☒ Information

Purpose/Background:
The District's subscription to IXL Learning is up for renewal. IXL Learning is an online, subscription-based program that provides personalized, teacher-assignable, Common Core-based Math and ELA practice for students from 1st to 8th Grade and is used in all schools. Currently we have over 900 students actively using the IXL Learning resources and materials either at school or home almost daily. IXL remains the top resource that is being accessed by students across the District in all Grade levels for practice and support with both ELA and Math.

During the second year 2 of the previous 3-year agreement, the District recognized the impact of the software and added the 1st grade students and teachers to the program.

During the last renewal cycle Legal Counsel reviewed the vendor's Terms and Conditions and Privacy Policy and found them acceptable. In addition, the vendor also signed an Amendment addressing terms such as Governing Law and Venue, Limitation of Liability, and Auto-Renewal, and SOPPA. The District currently has an Exhibit E on file that is based upon District 113 and is valid until 2028.

Fiscal Impact:
$49,650 for the 3-year renewal of the IXL Learning ELA and Math subscriptions to be used in Todd, Rutledge and Lincoln Hall from August 10, 2026 to July 30th, 2029.
- Installment 1 $24,825 (50%) August 24, 2026
- Installment 2 $12,412.50 (25%) August 24, 2027
- Installment 3 $12,412.50 (25%) August 24, 2028

The District paid IXL Learning a total of $39,970 for this service over the past three years.

Recommendation:
The Finance Committee concurs with the Administration's recommendation to the Board of Education to accept this Agreement from IXL Learning for Math and ELA practice materials for students in Grade 1-8 in all schools, in the amount of $49,650 for the 3-year renewal from August 10, 2026 to August 10, 2029.
