RE: Recommendation for Hire

Dear Dr. Andrew Dick and SBPS Board of Education:

I am pleased to recommend Dylon Santos for a teaching position at Bear Cub Preschool for the 2026-2027 school year. Dylon has a Bachelor of Arts degree in Elementary Education from Western Governors University. She completed her student teaching in Gering in the fall and has been working as a long term sub in Kindergarten. This will be her first teaching position and we are excited for her to join our team at Bear Cub Preschool.

Sincerely,

Bree Rock, Ed.D.
Early Childhood Director
Scottsbluff Public Schools
