Governing Board Agenda Item

Meeting Date: April 2, 2026

From: Thomas Bogart, Chief Financial Officer

Subject: Instructional Time Model

Priority: To provide rigorous, relevant, and innovative academics

Consent Action Discussion

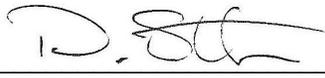

Background:

In accordance with A.R.S. 15-901.08, the Governing Board held two public hearings to field public questions or concerns regarding the adoption of an Instructional Time Model (ITM). The public hearings were held on March 12, 2026 and April 2, 2026.

Marana Unified School District (MUSD) is currently seeking to develop and deploy an ITM starting in the 2026-2027 school year. The intention of the ITM is to offer educational services to students who may not be able to participate in a more traditional MUSD setting while generating Average Daily Membership (ADM).

Recommended Motion:

I move that the Governing Board approve the Marana Unified School District Instructional Time Model starting in the 2026-2027 fiscal year.
