SIGNING DAY

27 student athletes signed letter of intent to play sports at the collegiate level.

Community Service

Student athletes from every sport participated in serving our community, collectively contributing a hundreds of hours.

Their effort highlights their dedication and commitment to giving back, demonstrating the powerful impact of teamwork and solidarity beyond the field. Their service not only benefited community projects but also fostered a strong sense of unity and social responsibility among the athletes, setting an inspiring example for others to follow.
