

1220

CITIZEN COMMITTEES

The Board, Superintendent or designee may appoint citizen/staff committees as necessary to assist the district in achieving its goals and objectives. Committees may include staff, consultants, students and citizens. Reports of committee work will be submitted to the Superintendent/designee before implementation or submission to the Board.

The appointing body, Board, Superintendent or designee, may authorize establishment of operating procedures for committees.

The Open Meeting Law will be followed as applicable.
