Subject: Geneva Lacrosse | Field Trip Permission | March 28th

Good morning Mr. Rogers,

I hope you are having a good end to your week.

I am seeking your and the School Board's permission for the Geneva Boys' Lacrosse program to make a one-day trip to South Bend, Indiana on March 28th to watch a Division I NCAA lacrosse game between the University of Notre Dame and Syracuse University. The game is played at 12pm ET, so we could make the trip there and back in one day via school bus.

This would be an excellent opportunity for the boys in our program to see two of the top NCAA lacrosse teams in the nation compete up-close and personal, which is an experience that many of the boys have never had. This trip would include educational, motivational, and team-building aspects and benefits for the boys in the GHS Lacrosse program.

Who | Geneva Lacrosse Program - Estimated attendance: about 50

What | Viewing a contest between the University of Notre Dame and Syracuse University varsity lacrosse teams.

When | March 28th, 2015. Game is played at 12pm (ET)

Why | To provide a group of student-athletes with an educational, motivational, and team-building experience that will have both individual and group benefits. These student-athletes will get to see how the sport of lacrosse is played at the highest levels in the NCAA up-close, and the boys in our program that aspire to play lacrosse at the collegiate level will get a first-hand view of what Division I NCAA lacrosse looks like.

How:

Transportation | 1-2 buses depending on the total number. The bus would need to leave between 8 and 8:30am and would return between 3:30 and 4:30pm.

Cost | Group tickets for a group of 20+ are \$2/ticket. Students will be expected to purchase their own ticket and provide themselves with breakfast prior to getting on the bus. We will plan to either eat at the stadium or stop for a meal on the way back for the group. In addition to the cost of the ticket, students will need to bring money for themselves for one meal.

Please let me know if you need me to provide any additional information, or if you need anything else to get this trip accomplished.

Thanks very much for your time, and I look forward to hearing from you. Have a great weekend!

Derek
