

TIA NEWS

Congratulations!

Big news for SFISD! 🎉

We just got our Teacher Incentive Allotment results for the 24-25 school year, and WOW... our teachers showed up and showed out! 🙌

- 🌟 5 teachers maintained their designation
- 📈 7 teachers increased their designation
- 🌟 7 teachers earned a brand new designation

And here's the kicker... our district nearly **DOUBLED** last year's funding, bringing in an amazing \$319,000! 💰

Even better, 90% of that goes straight to our teachers (as it should! 🙌🙌), with 10% supporting the continued success of the TIA program.

We are incredibly proud of these educators and the impact they're making every single day. ❤️

TIA NEWS

- **The TIA Banquet will be held May 11th at 6:00 PM at CFC.**
- **We are currently finalizing EOY student growth measures and expect to know by mid-May how many teachers will earn new or increased designations.**
- **As we prepare to expand TIA to all teachers in 2027–2028, we are purchasing additional BOY and EOY assessments for 2026–2027 so teachers can begin learning the process.**
- **The district has also purchased Sibme, an AI-supported platform to assist with observations and lesson. Teachers will also have access to Sibme as a resource to support lesson development and instructional practices.**
