ACTION

BACKGROUND INFORMATION

At the August 19, 2013, regularly scheduled board meeting, the Board of Trustees deliberated and took action to authorize a resolution pursuant to Policy CKC(LOCAL) and to approve Policy CKC(LOCAL) and the recommended modifications to GKA(LOCAL), which together allow the board to grant authorization under Texas Penal Code 46.03(a)(1) to certain Levelland ISD employees, who hold a license to carry (LTC) a handgun, as issued by the state of Texas, to carry such weapon, in a concealed manner, on school premises and at school sponsored and school related activities once they have successfully completed the psychological testing and additional training requirements set forth in CKC(REGULATION).

Pursuant to its authority under Texas Penal Code 46.03(a)(1), the Board may, from time to time, authorize specific school employees to possess certain firearms on school property, at school-sponsored or school-sanctioned events, and at Board meetings. Each specifically authorized employee shall be approved by action of the Board through a board resolution. Following Board action, the Superintendent, or designee, shall issue written certification to each approved employee in accordance with terms of the resolution. In circumstances wherein the Superintendent is the authorized employee, the Board president shall issue the written certification in accordance with the terms of the Board resolution. The names of the employees authorized to possess concealed firearms on District premises or at school-related events shall be kept confidential to the extent permissible by law.
