CELL PHONES/ELECTRONICS

DCSD Policy

5.0710 Student Use of Personal Electronic Devices In Schools
(Reference: Utah Code 53G-7-226)

5.0710.01 Definitions

"Cellphone" means a handheld, portable electronic device that is designed to be operated using one or both hands and is capable of transmitting and receiving voice, data, or text communication by means of: a cellular network; a satellite network; or any other wireless technology.

"Cellphone" includes: a smartphone; a feature phone; a mobile phone; a satellite phone; or a personal digital assistant that incorporates capabilities similar to a smartphone, feature phone, mobile phone, or satellite phone.

"Smartwatch" means a wearable computing device that closely resembles a wristwatch or other time-keeping device with the capacity to act in place of or as an extension of an individual's cellphone.

"Smartwatch" does not include a wearable device that can only: tell time; monitor an individual's health informatics; receive and display notifications or information without the capability to respond; or track the individual's physical location.

"Emerging technology" means any other device that has or will be able to act in place of or as an extension of an individual's cellphone.

"Emerging technology" does not include school-provided or required devices.

"Listening device" means any device used for the purpose of listening, via bluetooth or other means, to what is being sent from a cell phone, smartwatch or other emerging technology. Listening devices include, but are not limited to, ear buds, headphones, etc.

5.0710.02 Restriction Of Devices

To allow all students to engage in learning during school, with minimal distraction, the following policy applies to all schools in the Duchesne County School District.

Cellphones, Smartwatches, emerging technologies, and listening devices must be turned off and out of sight during school. They may remain in the possession of the student, but cannot be visible in part or whole. This begins when the student arrives at school for the day and ends when students are dismissed for the day. Students will only be allowed to use school-issued electronic devices during class time. Students must keep personal devices off and out of sight during recess, passing

time, and every other activity during the school day. As an exception, schools who have an open campus during lunch may allow students to use their personal devices throughout the lunch period. Schools that are a closed campus during lunch shall not allow student use of personal devices during lunch.

- Individuals assume full responsibility for their own technology devices. This includes the device's safety, security and maintenance.
- Personal communication devices and/or devices that can take pictures or videos may not be used in locker rooms or bathrooms at any time.
- No taking, uploading or sharing photos, recording audio, or capturing video during school.
- Students may not have their phone out in the hallway, unless it is an open campus school and it is during lunch time.
- Any disruption to class or other educational activity may result in disciplinary action.

5.0710.03 Exceptions

The following exceptions apply:

A student will be allowed to use a cellphone, smartwatch, emerging technology, or listening device:

1. to respond to an imminent threat to the health or safety of an individual;
2. to respond to a school-wide emergency;
3. to use the SafeUT Crisis Line;
4. to allow for a student to follow their Health Care plan, IEP, or Section 504 accommodation plan;
5. to address a medical necessity;
6. or during the lunch period of an open campus school.

In order to receive an exception, a student and/or their family needs to talk with a school administrator to discuss the nature of the need and the possible accommodations. If both the family and the school administrator agree, the student will be granted a specific exception for their specific need.

5.0710.04 Consequences

Any personal electronic device seen or heard will be confiscated.

- First Offense: The device will be confiscated until the end of the day.
- Second Offense: The parent must come to the school to regain possession.
- Third Offense: Parent must come to the school to regain possession and pay a fine. (\$10.00)
- Fourth Offense: Parent must come to the school to regain possession and pay a fine. (\$20.00)
- Additional Offense: The device may be confiscated until the end of the year and/or the student will enter into a behavior contract regarding this (and any other) behavior issue.

Fines collected will go into the school student activity fund to be directly used for student activities such as behavior rewards, positive behavior intervention supports, class rewards for achievement, field trips, etc.

CONCURRENT ENROLLMENT

Concurrent Enrollment (CE) courses are college courses. A student wishing to sign up for CE courses must sign the USU Parent and Student agreement (see your school counselor). This agreement includes, in part, the following:

- Course content may include controversial cultural, religious, political, aesthetic, and human sexuality issues. Students must have the maturity to engage with the material in an academically appropriate manner. Students must also meet all college/university prerequisite requirements before enrolling in a CE course, including having a 3.0 high school GPA.
- Students may attempt up to 30 CE credits per year and may not repeat a CE course.
- CE course registrations and grades are recorded on permanent high school and college transcripts. The final grade posted on the high school transcript and the college transcript must be the same.

- Withdrawing from or failing a CE course may impact a student's ability to receive financial aid in the future, as well as a student's ability to enroll in additional CE courses or desired programs.
- The student is responsible for completing the admission and enrollment process, as well as paying for tuition and books. Students who qualify for Free and Reduced Lunch may have these fees waived.
- CE students must abide by the DCSD and the Utah State University Student Code of Conduct.

DANCES

Current Duchesne High School students, visiting high-school are students welcome as long as they are willing to abide by the policies of DHS. The use of tobacco, alcohol, and drugs on the school grounds is prohibited. Any people attending a dance who are using these substances will be removed from the dance and referred to police authorities. The school reserves the right to refuse admission to any person who has been drinking or who has shown negative behavior in the past. Admission and dress standards for all dances will be determined by the activity advisors and approved by the principal. If a student leaves the building/facility during a dance, a \$1 re-entry fee may be charged. Generally, dance times for junior high will be 6:30-8:30 PM; senior high times will be 9:00-11:30 PM.

EMERGENCY PROCEDURES (See appendix)

DHS will follow the DCSD Standard Response Protocol (SRP) for all emergencies. The following protocols will be used, depending on the situation:

- Hold-when hallways need to be kept clear of occupants
- Secure- used to safeguard people withing int building
- Lockdown-used to secure individual rooms and keep occupants quiet and in place
- Evacuate- used to move people from one location to a different location in or out of the building
- Shelter- used in an emergency such as a earthquake or extreme weather

Other Emergencies: You are the responsibility of your teachers. Follow their directions when other emergencies occur.

FEES

All activity fees and participation fees must be paid before a student is permitted to participate in an extracurricular school activity. Students must also pay their Student Body Activity Fee before being issued a student activity card. This card allows students to attend many DHS activities free of charge, as well as many away high school activities at a reduced rate. This fee also helps to fund many of the other activities, including assemblies and socials, which will be held during the school year. Students who are financially unable to pay the assessed fees may apply for a fee waiver through the principal by checking with the secretary. Fees can be paid in the front office or online at <https://dcsd.schoolcashonline.com>

FEE WAIVERS

A fee waiver means a full or partial release from the requirement of payment of a fee and from any provision in lieu of fee payment. All fees are subject to waiver. Non-fee charges are not subject to waiver. A waiver shall be granted to a student if charging the fee would deny the student the opportunity to participate in a class or school-sponsored or supported activity because of an inability to pay a fee.

A student is eligible for waiver upon providing verification that:

1. The student qualifies for free lunch based on family income;
2. The student receives SSI;
3. The family receives TANF funding;

4. The student is in foster care through the Utah Division of Child and Family Services;
5. The student is in state custody.

The principal, or the principal's designee, shall review and make decisions regarding fee waiver requests, verifying eligibility as required (including obtaining the required documentation).

FOOD AND DRINK IN CLASSROOMS AND AUDITORIUM

No food or drink other than water is allowed in classrooms. **No food or drink of any kind** is allowed in the auditorium.

ITEMS NOT ALLOWED AT SCHOOL

- Any dangerous weapon, or look-alike
- Any dangerous substance—drugs, alcohol, or imitation, or drug paraphernalia
- Any electronic device, when used in a physically harmful, or in a threatening way
- Any gang-related clothing, hats, jewelry, emblem, badge, symbol, sign, or other things that would evidence membership in a gang
- Lighters

LOCKERS

Students are responsible to secure their personal belongings by keeping their locker locked. The security of personal belongings depends greatly on the number of students who know the locker combination. Therefore, it is advisable to NOT share that combination with other students. The school will NOT assume responsibility for lost or stolen property. The school has the authority to refuse to issue a locker to an individual, as well as to prohibit further use of a school locker by an individual. The administration also reserves the right to make periodic checks of lockers that are suspected of containing illegal substances, pornography, stolen property or weapons.

Sexually suggestive pinups or pictures will not be allowed in lockers.

MEDICATION

Medication

- Prescription medication must be prescribed by the student's health care provider. The health care provider's orders must be presented to the school at the time the medication is given to the health office. The Parent/Guardian Medication Authorization Form must be completed and signed by the parent/guardian and the health care provider to administer the medication at school as needed. The Parent/Guardian Medication Authorization Form is available through the school office and on the District website. <https://www.dcsd.org/page/school-nurse>
- Prescription drugs must be in the original pharmacy container, labeled with the student's name, date, medication, dose, time to be taken at school and length of treatment. (The Pharmacist may be requested to prepare a special container for school use.)
- The parent MUST bring the medication to school. Students are NOT allowed to transport medication. The only exception would be in the case of inhalers, emergency allergy pens, and/or diabetic insulin and diabetic supplies. Only students with the appropriate paperwork on file with the Health Office will be allowed to carry medication. Contact Office personnel for more information.
- Medication will be administered in the presence of the school nurse and/or health assistant, or in their absence, by the person designated by the school principal, or as otherwise required by law.
- All over-the-counter and/or non-prescription medication must be given by a parent or we must have the district Medication Authorization form on file.

MESSAGES

Any message or delivery to be given to students must go through the office. No student will be interrupted during class time for messages unless absolutely necessary. All non-emergency messages and deliveries will be retained in the office and given to students at an appropriate time. Parents wishing to see a student should have them called to the office rather than going to the classroom.

PHYSICAL EXAMINATIONS

All students are encouraged to have a physical exam each year. If conditions are such that limited participation in physical education or any other school activity is necessary, a doctor's statement should be shown to the teacher concerned and filed in the office. Students participating in competitive sports, cheerleading, and/or drill team are required to obtain a physical examination each year. Forms for the exam may be picked up from the office.

SCHOOL HOURS

School hours are considered between 7:30AM and 3:00PM. This allows students to work with teachers before and after regular classroom time. Only students who are involved in approved and supervised teacher-help programs, library research, or extra-curricular activities are allowed to remain in the school after 3:00 PM each school day. All other students are requested to vacate the building by that time in order for building cleaning to take place. The outside building doors will be locked at 3:00 PM (1:30 on Fridays), with no student access without clearance. You must be supervised by a specific teacher to remain on campus.

TEXTBOOKS

Textbooks are school property and are loaned to students for their use. Students are responsible for lost or damaged texts and are expected to pay replacement costs if lost or damaged. When texts are issued to students, it becomes their responsibility to care for and provide security for the books to avoid a fine at the end of the school year. Fines may be assessed for damage to textbooks and equipment.

VENDING MACHINES

The vending machines are made available for student use. The vending machines will be available before school, during lunch, and after school. Vandalism and other destructive acts on the machines will be referred to the police and may result in the removal of the machines.

VISITORS

Parents, guardians, grandparents, and other persons interested in the education of our children are encouraged to visit the school. Visitors are required to check in with the office and wear a visitor's badge. The administration reserves the right to refuse school visits at times that may alter the effectiveness of instruction. Students from other schools will not be allowed to visit.

WITHDRAWAL FROM SCHOOL

If it becomes necessary for a student to withdraw from school during the year, a parent or guardian must contact the school and give official notification. Books, fees, and other obligations must be taken care of before leaving.

ACADEMICS AND RECOGNITION

GRADES AND CREDITS

An academic grade reflects successful demonstration of knowledge and/or skills pertaining to the Utah State standards for that course. Teachers inform students of the content to be learned and the success criteria for each level of learning. These proficiency scales are available for student and parent information.

Each student will receive a report card at the end of each term or quarter. Credit is issued on a quarter basis, with each quarter being the equivalent of 0.25 credits. A full-year class equals 1 full credit (Concurrent Enrollment courses equal 1 full credit) and a semester class is 0.50 credits. To graduate with a regular diploma, a student must accumulate a total of 36 academic credits, with earned credits in all required subjects. For students transferring into a DCSD school from outside the district, all courses for credit must be earned from an accredited institution and those credits will be prorated into the DCSD credit system on an individual basis.

Students who fail classes required for graduation will need to make up these classes to gain the necessary credits. Please talk to your counselor to determine what option would work best for you to recover the credit and/or forgive the grade from the failed class.

GENERAL MEANING OF ACADEMIC GRADES

Student performance is graded each term (4 times yearly) as: A= Complete mastery of all standards; B= Mastery of most standards; C= Mastery of some standards; D= Has not mastered most standards; F= Failing; or M = Not enough evidence to give a grade. An M grade will turn into an F if it is not corrected.

CRITERIA FOR DETERMINING ACADEMIC GRADES

An academic grade reflects successful demonstration of knowledge and/or skills pertaining to the Utah State standards for that course. Teachers inform students of the content to be learned and the success criteria for each level of learning. These proficiency scales are available for student and parent information.

<u>WHY USE STANDARDS-BASED GRADING?</u>	<u>ASSESSMENTS FOR LEARNING OUTCOMES</u>	<u>PROFICIENCY SCALES</u>
- Provides specific mastery scores connected to the standards of each course. - It shows specific strengths and areas for growth for individual students. - Clearly documents every students' progress, using the success criteria, on each standard. - Allows and encourages multiple opportunities to demonstrate progress throughout the school year. - Students who require extra time to master a skill are not penalized. - It is designed for teachers to utilize more pre-tests and formative assessments to guide instruction. - It demonstrates a student's readiness for summative assessments. - It shows specifically what students have learned and has a strong correlation to positive standardized testing results.	A – The student has demonstrated mastery of the standard. B – The student has mastered all of the simple learning goals "C" and partially mastered the standard "A" C – The Student has mastered all of the simple learning goals of the standard. D – The student has partially mastered the simple learning goals of the standard. F – The student has provided evidence, but has not attained the simple learning goals. M – Missing. Student has not provided evidence on which to base a grade.	- Specific scoring guides are created for each standard. - The success criteria for each standard is clearly defined. - The needs of students, at all learning levels, are addressed. - Students learn to evaluate their own skill levels. - Feedback on the success criteria of each standard is specific and it is done collaboratively. - Students learn to evaluate their own skill levels using the success criteria. "Reflective teaching must be based on evidence of student learning, and reflection is most powerful when it is collaborative." –John Hattie

The following is a list of grades and the grade points assigned to each:

(A) 4.00 (A-) 3.667 (B+) 3.333 (B) 3.000 (B-) 2.667 (C+) 2.333 (C) 2.000 (C-) 1.667 (D+) 1.333 (D) 1.000 (D-) 0.667 (F) 0.000 (M) 0.000

INCOMPLETE or MISSING GRADES

A student may receive an Incomplete or Missing (M) grade in case of extended illness or other pre-approved absences. Incompletes may not be given to students who could have completed the work during the allotted time period. The incomplete and/or missing grade must be made up within 2 weeks of the end of the grading period or the grade will automatically change to an "F".

GRADE CHANGES

Grade changes by teachers will be made within two (2) weeks after the end of the term and can be only be made for clearance of an "M" or for computation or recording errors.

CLASS SCHEDULE CHANGES

Changes to class schedules may be made during the first week of each term, with parent's permission and/or approval from the counselor.

ACADEMIC HONOR ROLL

Students who achieve an academic GPA of 3.50 or better will be members of the Academic Honor Roll at DHS. A GPA of 3.75 or better will be considered High Honors. When calculating the GPA for Honor Roll, "M" grades will disqualify a student until the "M" is changed to a passing grade and the GPA is recalculated.

HONOR ROLL RECOGNITION

There will be some activities scheduled throughout the year to recognize students who achieve honor roll membership, as well as citizenship honors. Those students who achieve honor roll membership during all of the first three terms, or maintain a Citizenship Point Average (CPA) of 3.0, will be rewarded with a special reward during the final month of school.

VALEDICTORIAN SELECTION PROCESS

The designation of Valedictorian will be based on a student's GPA, with the highest GPA being awarded Valedictorian and the second highest GPA being awarded Salutatorian. If more than one student earns the highest GPA, then no Salutatorian shall be awarded (but may be honored in other ways). Only students who completed at least 50% of their total senior year in the DCSD high school from which they are graduating will be considered for this honor. Early graduates may be considered as long as they meet the 50% requirement. Grades must be submitted for this honor no later than the Monday before graduation (or sooner if the school requires). Grades submitted after this date will not be considered for this honor, but may impact student rankings. Note: Typically, 3rd Trimester CE courses do not finalize until after this date and should not be considered in Valedictorian determination if they are not finalized.

Graduation speakers **shall** be chosen from the pool of Valedictorians and/or Salutatorians. Students wishing to speak will audition by submitting their speech by the Monday before graduation. The administrative team and/or designees will review speeches and choose the winning candidate(s). If no speech passes analysis, no honors speaker is required.

CRITERIA FOR DETERMINING ACCOUNTABILITY GRADES

DHS will use the DCSD Accountability Grading Proficiency Scale. Citizenship grades will have an effect on eligibility for extra-curricular activities. Students who receive a U citizenship grade will not be eligible to participate until the grade is rectified.

 Duchesne County School District Accountability Grading Proficiency Scale

CLASSWORK ACCOUNTABILITY STATEMENT

Classwork Accountability grades are only for those teachers who use "collected" for the "assignments" in Powerschool. Teachers establish the cut score for each assignment at a competent level with modifications for those with an IEP. There must be a minimum of 6 "assignments" in Powerschool for this grade to be given.

CRITERIA FOR DETERMINING ATHLETIC AWARDS

The outstanding male and female athlete for each current year will be based on the following point system:

(All-state or all-region must be from the *Deseret News*.)

Note: For cross country, the first 7 places are considered first team all-state, 8th-14th place is second team.

Note: 11 points is the maximum possible for any one sport.

A student **must participate in at least 3 sports** to be eligible for this award.

<u>Individual Sports (Wrest. Track, CC, etc)</u>		<u>Team Sports</u>	
State Champ	10	1 st Team All-State	10
State 2 nd Place	9	2 nd Team All-State	8
State 3 rd Place	8		
State 4 th Place	7		
Region Champ	6		
Region 2 nd Place	4		
Varsity Letter	2		
Participant	1		
MVP	1 bonus		

The outstanding scholar-athlete award will be computed as follows:

Academics: The cumulative GPA, as of the end of 3rd quarter, will be computed and the students will be ranked accordingly, with the following point scale applied:

$$1^{\text{st}} = 15 \quad 2^{\text{nd}} = 13 \frac{1}{2} \quad 3^{\text{rd}} = 12 \quad 4^{\text{th}} = 10 \frac{1}{2} \quad 5^{\text{th}} = 9 \text{ etc.}$$

The students will then be ranked athletically according to the points earned for the athletic award. The scale for this ranking is:

$$1^{\text{st}} = 10 \quad 2^{\text{nd}} = 9 \quad 3^{\text{rd}} = 8 \quad 4^{\text{th}} = 7 \quad 5^{\text{th}} = 6 \text{ etc.}$$

A bonus of 2 points per sport will be given to any student who is named Academic All-State by the Utah High School Activities Association. A maximum of 6 bonus points may be earned from Academic All State.

The points from the athletic scale, academic scale, and bonus points will be totaled and the winner is the student with the most total points.

Note: a student **must participate in at least 2 sports** to be eligible for this award.

POLICIES OF STUDENT CONDUCT

Duchesne High School encourages the development of mature, responsible citizens. Since an orderly atmosphere is essential if learning is to take place, the following guidelines are intended for the personal welfare of the student, as well as for the common good of the entire school.

- A constant respect for persons including teachers, fellow students, staff, visitors, or others, is the basic requirement.
- Consideration for personal and community property is a visible sign of this respect.
- An atmosphere for learning must exist in order for education to take place.
- Students should be cooperative and courteous. If a conflict arises, the student should maintain self-control during the situation until an orderly appeal can be made to the principal or a teacher.

ACTIVITIES ATTENDED OUTSIDE THE SCHOOL OR DISTRICT

Students are considered "in school" while participating in any school sponsored activity either on campus, or from the time the bus leaves campus to the time the bus returns the student to the campus. Students who represent DHS at activities outside the school and/or district are to conduct themselves in a manner that will bring honor to themselves, their parents, their school, and the community. Students involved in actions or behavior which defames the school will lose all participation or spectator privileges at DHS and be subject to further disciplinary actions.

AFFECTION

Inappropriate public displays of affection will not be tolerated within the building or on campus. Kissing and inappropriate hugging/touching are examples of inappropriate displays of affection. Students will be given a verbal warning first. Those students who refuse to comply will be called into the principal's office for a conference with parents. If the problem continues, the students may be suspended from school.

ATTENDANCE POLICY (see appendix for additional information)

1. DHS will utilize the DCSD Compact Grading Matrix. Based on the matrix, students with excessive absences and low grades will be assigned to a lunch time study hour. Please refer to the matrix included at the end of this document.
2. Parents are responsible to see that their children attend school, but may keep the students out of school for family emergencies. Parents are discouraged from keeping students out of school for such things as shopping, baby-sitting, recreational activities, or any other non-emergency family business.
3. Students will be allowed to make up work assigned by the teacher in all cases of excused absences. The *school* will decide if the absence is excused, after contact with parents.
4. Teachers will be required to give students who are absent (excused) an opportunity to show proficiency on missed learning opportunities, including tests. This policy includes students who are suspended from school; they should be allowed an opportunity to complete work missed during the time of the suspension. A reasonable deadline will be set for work to be completed.
5. Students missing a class to participate in any school-sponsored activity will not be considered absent from that class. To earn full grade and credit, students will be required to make up any work assigned by the teacher. In all cases, it is the students' responsibility to get work from teachers.
6. Students missing school to attend school activities which do not pertain to them, such as the honors sneak, will be considered truant.

TRUANCY

On the first offense, the student will be assigned one day of PASS (positive alternative to school suspension). On the second offense, the student will be assigned 2 days of PASS. On the third offense, the student will be assigned 3 days of PASS. On the fourth or subsequent offenses, the student will be assigned to PASS indefinitely until attendance improves and coursework is complete. Eventual consequences could include counseling, contracts, referral to district student services director for alternate school placement, and juvenile court referral.

TARDIES

Students with unexcused tardies and/or late more than 10 minutes:

- Students arriving to school tardy will be required to check in at the front office.
- Five (5) occurrences, the student will be required to complete two (2) days in Study Hall or one hour of approved community service.
- Ten (10) occurrences, the student will be required to complete four (4) days in Study Hall or two hours of community service with the school custodians.
- Fifteen (15) occurrences, the student will then be required to complete one full day of In-School Suspension (ISS).

If a student chooses community service and fails to actively participate and fulfill the duties set forth by the administration, that option will be taken away and that student will then have to complete Study Hall to be compliant. If the student fails to comply with the Study Hall Procedures, then a meeting with the principal and a Personal Accountability Contract will be created.

If students fail to comply with the aforementioned policy; a meeting with the Principal, guardians, and other pertinent administration will be scheduled, and more severe disciplinary actions, including possible loss of eligibility or a "U" citizenship grade, may be taken.

ATTENDANCE PROCEDURES

1. If you are absent from school... Parents should call the office (738-1260) or send a note with the student to excuse absences within 2 days of being absent. The note or phone message must include the reason for absences and the date of the absences.
2. Late Arrivals/Check-in: The student should report directly to the office to check-In. If the student has a doctor's statement, or a note from a parent stating the time and reason for tardiness, the tardy will be "excused." Otherwise, it will be unexcused.

Early Dismissal/Check-Out: Once a student has arrived on school property, the student becomes the legal responsibility of the school. Any student who leaves the campus must be excused by the parent in person, by written note, or by phone call BEFORE leaving school.

AUTOMOBILES AT SCHOOL

Legal student drivers are welcome to drive their vehicles to school as long as they abide by state laws and school policies. Those who drive to school are not allowed to drive their vehicles during school hours (except at lunch time) without pre-approval from the principal.

BULLYING/CYBER-BULLYING/ABUSIVE CONDUCT/HAZING

Bullying will not be tolerated at DHS, whether verbal, physical, or electronic. Those who engage in bullying will be given the strictest penalties allowed by Duchesne School District. Students are asked to report incidents of bullying to the principal or counselor.

Definitions as used in Utah law 53G-9-601

"Abusive conduct" means verbal, nonverbal, or physical conduct of a parent or student directed toward a school employee that, based on its severity, nature, and frequency of occurrence, a reasonable person would determine is intended to cause intimidation, humiliation, or unwarranted distress. A single act does not constitute abusive conduct.

"Staff bullying" means a school employee, with the intent to cause harm, repeatedly committing a written, verbal, or physical act against a student or another school employee, or engaging in a single egregious act toward another employee involving an imbalance of power, that: (i) creates an environment that a reasonable person would find hostile, threatening, or humiliating; and (ii) substantially interferes with a student's or employee's educational or professional performance, opportunities, or benefits.

"Staff bullying" does not mean instances of: (i) ordinary teasing, horseplay, argument, or peer conflict; (ii) reasonable correction of behavior by a school employee; or (iii) reasonable coaching strategies and techniques by a school employee who is a coach.

"Student bullying" means one or more students, with the intent to cause harm, repeatedly committing a written, verbal, or physical act against another student, or engaging in a single egregious act toward another student involving an imbalance of power, that: (i) creates an environment that a reasonable person would find hostile; and (ii) interferes with a student's educational performance, opportunities, or benefits.

"Student bullying" does not mean instances of: (i) ordinary teasing, horseplay, argument, or peer conflict; (ii) reasonable correction of behavior by a school employee; or (iii) reasonable coaching strategies and techniques by a school employee who is a coach.

"Cyber-bullying" means using the Internet, a cell phone, or another device to send or post text, video, or an image with the intent or knowledge, or with reckless disregard, that the text, video, or image will hurt, embarrass, or threaten an individual, regardless of whether the individual directed, consented to, or acquiesced in the conduct, or voluntarily accessed the electronic communication.

"Hazing" means a school employee or student intentionally, knowingly, or recklessly committing an act or causing another individual to commit an act toward a school employee or student that:

- I.(A) endangers the mental or physical health or safety of a school employee or student; (B) involves any brutality of a physical nature, including whipping, beating, branding, calisthenics, bruising, electric shocking, placing of a harmful substance on the body, or exposure to the elements; (C) involves consumption of any food, alcoholic product, drug, or other substance or other physical activity that endangers the mental or physical health and safety of a school employee or student; or (D) involves any activity that would subject a school employee or student to extreme mental stress, such as sleep deprivation, extended isolation from social contact, or conduct that subjects a school employee or student to extreme embarrassment, shame, or humiliation; and
- II.(A) is committed for the purpose of initiation into, admission into, affiliation with, holding office in, or as a condition for membership in a school or school sponsored team, organization, program, club, or event; or (B) is directed toward a school employee or student whom the individual who commits the act knows, at the time the act is committed, is a member of, or candidate for membership in, a school or school sponsored team, organization, program, club, or event in which the individual who commits the act also participates.

The conduct described constitutes hazing, regardless of whether the school employee or student against whom the conduct is committed directed, consented to, or acquiesced in, the conduct.

BUS TRANSPORTATION

While on a school bus, students must obey the rules of the District, as well as those policies of the bus driver. These policies are in effect as students load onto and off from buses, as well. Failure to cooperate may result in suspension or removal of the student from the bus. On any bus trip the activity supervisor is responsible for the behavior of the students.

CHEATING

A person's honor and integrity are priceless. Cheating on school work by giving or receiving help on assignments, quizzes, or tests is not acceptable. Plagiarism is a form of cheating.

Teachers will have an individual classroom policy regarding cheating; it is regarded as a serious offense.

Artificial Intelligence:

As emerging technologies like artificial intelligence (AI) and Natural Language Processing (NLP) become more prevalent, our District is proactively developing principles to guide the safe, effective, and responsible use of these tools for student learning.

Students are required to rely on their own knowledge, skills, and resources when completing schoolwork. To ensure the integrity of the educational process and to promote fair and equal opportunities for all students, the use of Artificial Intelligence (AI) and Natural Language Processing (NLP) tools (collectively, "AI/NLP tools") is strictly prohibited for the completion of school work except as outlined in governing board policy. The use of AI/NLP tools, without the express permission/consent of a teacher, undermines the learning and problem-solving skills that are essential to academic success and that staff is tasked with developing in each student. Students are encouraged to develop their own knowledge, skills, and understanding of course material rather than relying solely on AI/NLP tools, and they should ask their teachers when they have questions and/or need assistance. Unauthorized use of AI/NLP tools is considered a form of plagiarism, and any student found using these tools without permission or in a prohibited manner will be disciplined in accordance with the Behavioral Referral Process.

Under appropriate circumstances, AI/NLP tools can be effectively used as a supplement to and not a replacement for traditional learning methods. Consequently, with prior teacher permission/consent, students may use such resources to help them better understand and analyze information and/or access course materials. If students have any questions about whether they are permitted to use AI/NLP tools for a specific class assignment, they should ask their teacher.

CLASSROOM BEHAVIOR

A student is expected to comply with the requests of teachers and substitutes regarding classroom control and discipline, as well as academic work. No students are permitted to leave the classroom without permission of the teacher. Students who are asked to leave the classroom as a disciplinary action will need to go immediately to the principal's office.

Teachers will develop their own set of classroom rules and will communicate them to their students. When students have disrupted classroom learning activities beyond acceptance, they will be referred to the principal for possible suspension or other penalties.

Behavior interventions will be determined using the DCSD Conduct Level document.

Upon referral to the office, the following consequences may be imposed. (a) Assignment to PASS for an appropriate number of days depending upon the severity of the disruption. (b) Loss of Extra Curricular Eligibility: Student is ineligible to participate in, or attend, any extra-curricular activity until cleared from PASS and assigned coursework is complete. (c) Referral to district student services as a habitually disruptive student, for possible change of school placement.

Suspended students are not permitted to attend classes, enter the school building, be on school grounds, travel on school transportation, or participate in extracurricular activities, school dances, etc. Students who have been suspended have the right to written notification and a hearing. VANDALISM/PROPERTY DAMAGE

Students who destroy or vandalize school property will be required to pay for losses or damages. If students willfully destroy school property, suspension and subsequent expulsion may be necessary. Attendance Requirements

5.0220.01 DEFINITIONS

1. Absent

"Absence" or "absent" means the failure of a school-age child assigned to a class or class period to attend at least half of the class or class period as defined by the District. It does not mean multiple tardies used to calculate an absence for the sake of a truancy. [Utah Admin. Rules R277-607-2\(1\) \(March 10, 2025\)](#)

2. Parent Excused

When a student is absent from school for any reason, it is required that a parent or guardian contact the designated school official concerning said absence. If no excuse is provided within three school days, then said absence will be considered unexcused. In elementary schools, this may lead to a compulsory education violation. In secondary schools, this may result in a truancy.

"Valid excuse" means:

- A. an illness, which may be either mental or physical, regardless of whether the school-age child or parent provides documentation from a medical professional;
- B. behavioral health of the school-age child;
- C. a family death;
- D. an approved school activity or suspension;
- E. an absence permitted by a school-age child's: individualized education plan; or section 504 accommodation plan;
- F. Any reason made pursuant to Section 53G-10-205 or 53G-6-803(5).

Utah Admin Rules R277-607-2

3. Chronic Absenteeism

"Chronic absenteeism" means a student misses 10% or more of days enrolled, for any reason, and makes a school aware that a beginning of tiered supports may be needed. *Utah Admin Rules 277-607-2(2)*

4. School Excused: A school activity approved by the principal.

5. Hospitalization: The student is admitted in a hospital and the necessary recovery days afterward.

6. Truancy/Sluff (skipping class)

Any time a student stays away from school without parental or school permission or any time a student leaves school for any reason without prior parental notification to school officials.

7. "Habitual Truant" means a school-age child who is in grade 7 or above and at least 12 years old, who fails to cooperate with efforts on the part of school authorities to resolve the school-age child's attendance problems. *Utah Code 53G-8-211 (1-b-iii-B)*

8. A "school-age child" means a minor who: is at least 6 years old, but younger than 18 years old and is not emancipated. *Utah Code 53G-6-201*

9. Others

Schools may establish other designations to be more specific regarding the attendance categories listed above.

Examples of such specific attendance designations could include: out-of-school suspension, in-school suspension, study hall, vacation, school excused, medical, etc.

5.0220.03 SECONDARY SCHOOL ACTIONS

- 1. It is the responsibility of teachers to ensure accurate attendance has been recorded in the manner prescribed by the district.

- 3. Process for Notice of Truancy Violation related to secondary schools (child is in 7th-12th grade and is 12-17 years old):
 - 1. Before five days of truancy within a school year, the administration, or designee, may make a Contact Of Inquiry with the parents/guardians of the student to inform them of the truancy status (email, letter, phone call with follow-up email, etc).

2. Upon the 5th (or subsequent) day of truancy within the school year, school administration, or designee, shall send a First Letter of Excessive Truancy to parents/guardians. Parents will be directed to meet with school authorities to discuss the truanies and to begin or continue an evidence-based alternative intervention to secure regular attendance.
3. Upon the 5th (or subsequent) day of truancy from the date of the First Letter of Excessive Truancy (minimum of 10 total truanies), the student and parents/guardians have failed to cooperate with efforts on the part of school authorities to resolve the school- age child's attendance problems and have reached the status of a Habitual Truant. School administration, or designee, shall send a Second Notice of Excessive Truancy Letter through certified mail. Parents will be directed to meet with school authorities to discuss the truanies and to begin or continue an evidence-based alternative intervention to secure regular attendance. Possible interventions could include mentorship, group counseling, learning executive function skills, community resources, or other similar programs.
4. Upon the 5th (or subsequent) day of truancy from the date of the Second Letter of Excessive Truancy (minimum of 15 total truanies), the student and parents/guardians have failed to cooperate with efforts on the part of school authorities to resolve the school- age child's attendance problems and have reached the status of a Habitual Truant for the second time. School administration, or designee, shall send a Third Notice of Excessive Truancy Letter through certified mail. Parents will be directed to meet with school authorities to discuss the truanies and to begin or continue an evidence-based alternative intervention to secure regular attendance. Possible interventions could include mentorship, group counseling, learning executive function skills, community resources, or other similar programs.
5. Upon the 5th (or subsequent) day of truancy from the date of the Third Letter of Excessive Truancy (minimum of 20 total truanies), the student and parents/guardians have failed to cooperate with efforts on the part of school authorities to resolve the school- age child's attendance problems and have reached the status of a Habitual Truant for the third time. School administration, or designee, shall refer the case to Juvenile Court.

Utah Code 53G-8-211 (5)

5.0220.04 EXEMPTIONS

Students who meet one or more of the following conditions to the satisfaction of the Board shall be exempt from compulsory attendance requirements and shall be given a certificate, issued by the Board, stating that the minor is excused from attendance during the time specified on the certificate.

1. A student over age sixteen (16) may receive a partial release from school to enter employment, or attend a trade school, if the student has completed the eighth grade.

 1. The school-age child has already completed the work required for graduation from high school.
