

**KILLEEN INDEPENDENT SCHOOL DISTRICT
BOARD OF TRUSTEES**

**Resolution to Recognize April 2026 as
National School Library Month in Killeen ISD**

WHEREAS, school libraries serve as essential centers of learning that support student achievement, literacy development, and lifelong learning for all students in Texas public schools; and

WHEREAS, certified school librarians and library staff play a vital role in guiding students and educators in the ethical use of information, digital citizenship, research practices, and access to diverse and high-quality resources; and

WHEREAS, school libraries provide equitable access to books, technology, digital databases, and educational resources that support the Texas Essential Knowledge and Skills (TEKS) and enrich the academic experience of students across all grade levels; and

WHEREAS, school librarians collaborate with teachers and administrators to design engaging learning opportunities that foster critical thinking, creativity, inquiry, and innovation among students; and

WHEREAS, school libraries serve as welcoming and inclusive spaces that encourage exploration, curiosity, and a love of reading while supporting the academic, social, and emotional growth of students; and

WHEREAS, Killeen Independent School District school libraries contribute to the preparation of students for college, career, and civic readiness by providing access to information, research tools, and literacy programs that empower informed participation in a democratic society; and

WHEREAS, School Library Appreciation Month provides an opportunity to recognize and celebrate the dedication, expertise, and contributions of school librarians and library staff who support the success of Texas students and educators;

NOW, THEREFORE, BE IT RESOLVED, that the Killeen Independent School District hereby recognizes the month of **April as School Library Appreciation Month** and encourages students, educators, families, and community members to acknowledge and celebrate the valuable contributions of school libraries and library professionals across the State of Texas.

BE IT FURTHER RESOLVED, that the Killeen Independent School District School Board expresses its appreciation for the commitment of school librarians and library staff who work diligently to inspire literacy, support learning, and ensure access to information for all students.

Adopted this _____ day of _____, 2026.

PASSED AND APPROVED, this 14th day of April 2026.
