Re: 2026-27 Additional Stipend Assignments

Recommendation:

It is the recommendation of the Superintendent to approve the additional Stipend Assignments for 2026-27. These include:

Tina Serpico - Student Leadership Team - \$943
Jess Honaker - Athletic Director - \$12,300

Background Information:

The current allocation of stipends with this approval is \$49,651. This exceeds our initial stipend allotment by just under \$1,000 with Science Olympiad and Soccer yet to be filled along with any additional clubs. The Board is aware of this variance and we can budget accordingly.
