STUDENTS OF LEGAL AGE

When a student turns eighteen, the rights, under FERPA, transfer from the parents/legal guardians to the student. The “eligible” student ~~he/she~~ becomes responsible for absences ~~or other~~ and all school matters. In order for parents/legal guardians to have access to eligible student’s personal identifiable information, eligible student must give consent on the NCSD Eligible Student (18+) FERPA Consent Form. ~~Unless the student directs the school differently by written communication, the school will continue contacting parents regarding school matters.~~
