Sarah Epich - Lemay Middle School

Submitted by: Matt Wood, staff member

I would like to take a moment to recognize and express my sincere admiration for my colleague, Sarah Epich. Sarah exemplifies the very best qualities of our profession and serves as a constant reminder of what it means to be a true team player in education.

Sarah is someone who gives generously of her time and energy—not only to her students, but to her colleagues as well. She approaches collaboration with enthusiasm and humility, always ready to lend a hand, share an idea, or offer thoughtful feedback. Whether she is dreaming up a creative new activity to engage students or carefully thinking through the best way to craft a meaningful question, Sarah demonstrates a deep commitment to the craft of teaching.

What stands out most about Sarah is the spirit with which she approaches her work. She is kind, compassionate, and incredibly thoughtful in her interactions with others. Her professionalism, intelligence, and willingness to support those around her elevate the entire team. Simply put, everyone who works with Sarah becomes better for having had the opportunity to collaborate with her.

Teachers like Sarah remind us why strong teams matter. Her dedication to students, her respect for her colleagues, and her passion for continual improvement make her an invaluable member of our school community.
