Dear Board colleagues,

After considerable thought, I am writing to inform you of my decision to resign from my position as President of the CFSD Governing Board. Due to increasing personal and professional time constraints, I feel that I can no longer give the role the level of attention and leadership it deserves.

Therefore, consistent with Policy BDA, I have asked that board elections be added to the agenda for our June 23 meeting.

It has been a privilege to serve as President over the past year and a half. I am deeply proud of what we have accomplished together and grateful for the trust you placed in me.

While I am stepping down from this role, I look forward to continuing my service on the board as a member at large and supporting the important work ahead.

Thank you for your understanding and for the opportunity to serve.

Very truly yours,
