

Detentions

Detentions are served on 2 days during the week (Normally Tuesdays and Thursdays) from 3:05-3:45 p.m. While serving a detention, students are given a disciplinary packet to complete that outlines behavior modification and making better choices for themselves, or may be allowed to complete homework.

Rationale: Having the length of a detention the same at PCHS.

Homework requested ahead of an extended absence- more than 2 days

Prearranged Absence.

At times parents become aware that an absence will be necessary and they wish to arrange for the student to be out of school in advance. The procedure for pre arranging an absence is as follows:

It remains the student's responsibility to obtain all work missed during an absence. If the student obtains the work prior to the absence, the work must be turned in on the date of the return to school. If the student does not obtain the work prior to the absence, it will be treated like an excused absence.

Rationale: Align with the absent policy at PCHS.

Media Center

In order to foster a positive environment that promotes open access to books and information, the Putnam County School District libraries are fine free. A lost or damaged book must be replaced with the actual cost of the book as assessed by the school. Students are unable to check out books until replacement fees are paid. All replacement fees are paid to the media center.

Rationale: Create a positive environment that promotes open access to books and align with PC District Policy.
