TUTTUMAN

TUTTUMAN

TUTTUMAN

is someone who carries the qualities admired in the caribou, such as:

Provider – Caribou is central to survival. A tuttuman provides for family and community.

Humble– caribou move in herds, not prideful, symbolizing community over self.

Resourceful – using every part wisely (meat, skin, bones)

Resilient – like caribou enduring harsh tundra seasons

Strong yet gentle – powerful animals but also graceful and careful

TEAM GOALS

Goal 1: Help each other

Help out people and make sure they know the rules.

Goal 2: Cooperation

Participate in all the events and keep calm and happy.

Goal 3: Win the race

Be fast and focus. Follow the rules.

TEAM HIGHLIGHT

- Walking around the nuna.
- Winning the tug of war led by our captain Corey.
- We help Carla get more sleeping bags for our tent.
- Participating in the Scavenger's hunt.
- Help our captain Corey clean around the camp.

TEAM WISHES FOR NEXT YEAR

- Separate tents for boys and girls
- More fun activities (games)
- Better fishing rods
- Bigger tents for High School
- More cultural activities like caribou hunting (catch tuttu, ground the meat, and make it a burger patty)

TEAM WISHES FOR NEXT YEAR

- Painting activities
- Team tournaments
- More time for older kids to stay in the camp (Wants to stay for a night)
- Choose a better location

THANK YOU
