

Access to District Property

Authorized District officials, including school resource officers and District police officers if applicable, may refuse to allow a person access to property under the District's control in accordance with law.

District officials may request assistance from law enforcement in an emergency or when a person is engaging in behavior rising to the level of criminal conduct.

Ejection or Exclusion from District Property

In accordance with Education Code 37.105, a District official shall provide a person refused entry to or ejected from property under the District's control written information explaining the right to appeal such refusal of entry or ejection under the District's grievance process.

A person appealing under the District's grievance process shall be permitted to address the Board in person within 90 calendar days of filing the initial complaint, unless the complaint is resolved before the Board considers it. [See FNG and GF]

Off-Campus Activities

Employees shall be designated to ensure appropriate conduct of participants and others attending a school-related activity at non-District or out-of-District facilities. Those so designated shall coordinate their efforts with persons in charge of the facilities.

Prohibitions

Tobacco and
E-Cigarettes

The District prohibits smoking and the use of tobacco products, e-cigarettes, or other electronic vaporizing devices on District property, in District vehicles, or at school-related activities.

Weapons

The District prohibits the unlawful use, possession, or display of any firearm, location-restricted knife, club, or prohibited weapon, as defined at FNCG, on all District property at all times.

Exceptions

No violation of this policy occurs when:

1. **The use or possession of a firearm by a specific employee is authorized by Board action [see the CKE series];**
2. An individual who holds a handgun license in accordance with state law stores a handgun or other firearm in a locked vehicle in a parking lot, parking garage, or other parking area provided by the District, as long as the handgun or other firearm is not in plain view; or
3. The use, possession, or display of an otherwise prohibited weapon takes place as part of a District-approved activity supervised by proper authorities. [See FOD]

Unmanned Aircraft Systems (UAS)

All flights of unmanned aircraft systems must be approved by the executive council or their department representatives. For educational purposes, the request shall go through the director of

career and technical education. For noneducational purposes, this request shall go through the director of safe and secure schools.

Drones Prohibited The District prohibits the use of drones on District property and at school-related activities and events, unless approved by trusted agents of the District.

Requesting Flight Complying with GKA(LEGAL), all flights shall begin the process with the following items:

1. If a license is required to fly a UAS on district property, this must be presented during the approval process;
2. The completion of [The Recreational UAS Safety Test \(TRUST\)](#)¹ if required prior to the flight; and
3. Proper notification and approval are granted.

Exceptions for UAS Flight No violation of this policy occurs when the use of a drone takes place as part of a District-approved activity supervised by District authorities or within GKA(LEGAL).

The following locations are off limits for UAS flight. "No Drone Zone" locations include:

1. Central administration building;
2. Education support center; and
3. Athletic facilities (during sanctioned games and scrimmages) during warm-up, contest, or half-time per University Interscholastic League (UIL) policy.

Final determination of no-fly zones is established by the Superintendent or designees.
