

Cafeteria Monthly Report

March 2026

The Cafeteria had a great month. Spring Break was a treat for all the ladies to enjoy their family and just do some resting. We are also anticipating a fun long weekend with family for Easter break.

During the month of March, we served for 16 days. The staff prepared 4,164 reimbursable breakfast meals and 5,276 reimbursable lunch meals. For a grand total of 9,440 meals. We sold 823 cookies and 613 bags of chips and 439 ice cream a la carte.

The cafeteria will be serving an Easter meal to the students on April 1st that will include turkey and all the trimmings.

We have been making sack lunches for the JH\HS teams that leave early for competition. The state CEP (Community Eligibility Provision) report was completed and sent to the state . With approval from the state, we will be able to serve all students free breakfast and lunch for the 4th year.

The month of April means providing snacks to the students during the STAAR testing.
