

Central Community College
College President Recommendation to Board
May 15, 2025

Presenter Dr. Candace Walton

As part of Nebraska's Coordinating Commission for Postsecondary Education's required 7-year program review cycle, the College President recommends to Central Community College's Board of Governors continuation of Central Community College's Dental Assisting (DENT), Dental Hygiene (DENH), Early Childhood Education (ECED) and Heating, Air Conditioning and Refrigeration (HVAC) programs.
