Consent Action Discussion

Background:

On February 24, 2026, Marana Unified School District issued an Invitation for Bid (IFB) 26-12-06.30 for Small Roofing Projects, as needed. This solicitation requested bids for the District to obtain the best pricing for Small Roofing Projects District-wide in accordance with School District Procurement Rules in the Arizona Administrative Code (A.A.C.) Title 7, Article 10.

Invitations were sent to 76 District-registered vendors, and three responded with an offer. Formal advertisement in the Daily Territorial was completed on February 24, 2026.

This is a multiterm contract starting July 1, 2026. Award of additional years shall be reviewed annually and contingent upon satisfactory performance and compliance with options for four additional one-year periods, extending through June 30, 2030.

Based on the lowest-priced bidder offered and bid responses, a recommendation of award is made to the following vendors to support the needs of the District for Small Roofing Projects. These projects may range in value from \$10,000 to \$500,000, with an estimated annual total of approximately \$1,000,000.

1. Progressive Roofing
2. Morries Companies
3. Oliver Roofing
