

**School Test Security Plan Addendum
Calendar Year 2025-2026**

I. Describe in detail any changes in test security procedures/processes that were not included in your original test security plan when it was initially approved.

School District: Jackson County School: Vanceleave Middle

4725 Bulldog Ln Vanceleave MS 39505
Address City State Zip

Description of changes:

A procedure was added to the Test Security Plan addressing students who wear hearing aids with Bluetooth capability. The procedure clarifies that students may wear medically necessary hearing aids during testing, but Bluetooth or wireless connectivity must not be connected to external devices during the test session. Test administrators will verify that no electronic devices are paired with the hearing aids to ensure compliance with test security requirements.

II. If your district experienced changes in key personnel who are listed in your school test security plan since the plan's initial approval, you must make appropriate changes to the signature page of your test security plan. Note: Signatures must be handwritten.
