RE: 7.1 District Academic Calendar 2026-2027 Revisions

EXPLANATION: The District is recommending several adjustments to the 2026–27 school calendar to ensure the calendar accurately reflects planned instructional and work days.

The proposed adjustments include:

Senior Last Day: Adjust the last day for seniors to June 1, 2027, to reflect the planned early completion of requirements for graduating seniors.

July 4th Holiday (Observed): Add July 3, 2026, as the observed Independence Day holiday to the calendar.

Classified In-Service Day: Add a color notation for the classified in-service day at the end of the school year to clearly identify the scheduled workday for classified staff.

These changes are intended to improve the accuracy and clarity of the published school calendar and ensure that staff workdays, holidays, and student attendance dates are appropriately identified.
