

Memorandum

Date: August 11, 2026

To: Board of Directors of the Pendleton School District 16R

From: Michelle Jones, Director of Business Services

Subject: Board Policy First Read

Background: OSBA requires/recommends the following policies and accompanying administrative rules to be adopted by local school boards.

- **DBEA** – Budget Committee - The Oregon Legislature passed House Bill 4066, modifying the requirement requiring a member of the educational equity advisory committee serve on the district's budget committee. The amendment clarifies that this requirement does not apply if no member of the educational equity advisory committee is willing or eligible to serve on the budget committee.
- **EBB** – Integrated Pest Management - House Bill 2684 (2025) added some new requirements to law for Integrated Pest Management Plan requirements. The first requires posting the Integrated Pest Management Plan and list of low-impact pesticides to the website (can be included in the Healthy and Safe Schools Plan); the second requires a review of an IPM plan every five years to identify updates, if any, and readoption.

Proposal: I bring for your initial review, first reading, and discussion the model OSBA Policies as listed above.

Recommendation: Please review the attached policies and provide any input prior to the second reading.
