School Improvement

- Teachers participated in ACT Prep Testing coordinating, met in small groups to discuss the 26.27 Student Handbook revisions/additions, and learned how to use MagicSchool AI to create an exit ticket for quick formative assessment of a student's understanding of a lesson.

Assessment

- Our ASVAB results are in and we had 80% of our juniors that tested meet the ASVAB benchmark of a 31 or higher! This meets one of three of the College and Career Readiness Indicators for those students!

Pretzel Positives
