Elexter Maxson most recently served as an assistant principal at CHISD's Bessie Coleman Middle School. Her educational leadership journey has also included service in Irving ISD, DeSoto ISD, and Beaumont ISD, with experience in campus administration, special programs, assessment and accountability, and instructional leadership across elementary and secondary settings.

Maxson recently completed the Superintendent Certification Program at Lamar University, further expanding her preparation for educational leadership.

As she begins this new chapter at Plummer Elementary, Maxson looks forward to partnering with students, staff, families, and the Plummer Elementary community to foster academic excellence and ensure every student has the opportunity to thrive.
