Dear Jessa Delima:

The District received your FOIA request on April 2, 2026. The District had extended the time for response by an additional five (5) business days pursuant to FOIA Section 3(e)(v). 5 ILCS 140/3(e)(v). The District is planning to provide records responsive to your request and is in the process of reviewing those records. However, given the volume of records, the District respectfully requests an additional extension of time until April 23, 2026, to complete its response. Please let me know if you agree to this extension or have any objection.

Request: *“Specifically, I request any and all records consisting of emails (including attachments) sent to, from, or between any River Forest School District 90 employees, administrators, board members, officials, or agents that contain the words “Steve Lefko” (in the subject line, body text, or any attachment), for the period from April 1, 2025, through the present.”*

As Superintendent of the District, I am responsible for granting and denying the requests for records under the Freedom of Information Act. Please be aware that this response to your request is pursuant to my understanding of your FOIA request.

If you have any questions or concerns, please do not hesitate to contact me.

Sincerely,

Edward J. Condon, Ph.D.
Superintendent
