Re: Elementary April Board Report
Date: 4/28/2026

- Spring Conference Attendance
 - Kindergarten 97%
 - 1st Grade 90%
 - 2nd Grade 97%
 - 3rd Grade 97%
 - 4th Grade 93%
 - SCHOOLWIDE: 95%
- We have finished MCA testing in the 3rd and 4th grades. Because the reading MCA is a new test, we will not know scores until MDE releases them in the fall, which is a change because we are used to instant reports.
- Events:
 - Kindergarten Round Up went well. We are processing enrollments as they come in.
 - Great attendance at our PTC dance a couple weeks ago. We had just about 140 kids attend with their families.
 - Teacher appreciation week is next week. We've got things planned for all five days. The Google form responses have been amazing to read. The community/families see all of the little things that my staff do that make a huge difference. I cannot wait for them to read all of the messages!
 - Thanks to the PTC for helping with all of the field trips that are upcoming in the month of May.
 - We are looking forward to Trout Lake Day on May 21st.
 - May 26th: Fun in the Sun Day
- I had the pleasure of attending Catalyst Live training down in the cities last week. It is a classroom management technique that we will be bringing in August to train our Vandyke teachers. I don't know that I've ever been to a better training in all of my years in education. I think it will be a phenomenal thing for our school.
