Delma Ablos  
President, ECISD School Board

Dear Delma,

Due to a commitment that I am making to the American Association of Retired People, I have found it necessary to resign my position on the Ector Co. Appraisal District Board.

I wish to express my sincere appreciation to you and other members of the school board for the opportunity to represent E.C.F.S.D. on the appraisal District Board the past two years.

I also wish to commend Mrs. Karen McCord and the appraisal Dist. Board members for the consideration shown to me the past two years. Please select another person to represent ECISD on the appraisal District Board at your earliest convenience.

Cordially yours,  
Dick Kennedy
