Also, Matt Molitor did ask me. Do you know how long it has been taking to get the fingerprint results back?

I got another person bring in a volunteer form today for Bass Fishing – Timothy Nelson. Is he also supposed to be added to the volunteer list? If so, can you send over another updated request. Thanks!

Shawna,

Here are the names of the individuals that will be boat captaining for us this year. Just so you and I are on the same page, I need to inform them they need to 1) fill out the volunteer form and 2) reach out to you to schedule fingerprinting? I just want to make sure I clearly communicate to them, sorry for the repetitive question.
