

Mississippi Gulf Coast Community College & Jackson County School District Dual Credit and Collegiate Academy Addendum

This Addendum is entered into on this 8th day of January, 2026, by and between Mississippi Gulf Coast Community College (MGCCC) and Jackson County School District.

MGCCC and Jackson County School District desire to offer secondary students an opportunity to take advantage of Dual Credit. (Dual Credit is defined as secondary students taking postsecondary classes and receiving credit at MGCCC and Jackson County School District for those agreed upon courses.) This addendum will cover Spring 2026 academic and/or Career and Technical Education (CTE) classes that are taught by Jackson County School District instructors (with MGCCC approval) using Jackson County School District facilities, and the addendum will cover courses taught in Collegiate Academy. Other addendums may be proposed at a later time to address other scenarios for dual credit.

THEREFORE, in consideration of the mutual promises contained herein, and for other good and valuable consideration, it is agreed:

Term

This addendum will begin on January 8, 2026, and will continue until such time as either entity decides that it should be ended/adjusted. It shall be reviewed on a semester basis and changes made as either party deems them appropriate to serve the secondary dual credit student. A listing of classes will be agreed upon in writing before each semester begins. Either party may terminate this Addendum Agreement with a ninety (90)-day written notice to the other party, but will only do so in a manner that will not affect a student's credit for any semester already entered into.

Dual Credit

Secondary students who meet the dual credit requirements set out in the Statewide Academic Dual Credit/Dual Enrollment Articulation Agreement shall be allowed to take postsecondary courses and receive secondary and postsecondary credit through Jackson County School District (secondary Carnegie units) and MGCCC (postsecondary credit/hours).

Collegiate Academy

Collegiate Academy provides up to 60 hours of transferable college credit to universities and/or an industry certification credential. The program allows students to simultaneously earn a high school diploma and an associate degree. The student body consists of high school juniors and seniors enrolled in dual credit courses at their high school and at MGCCC. Students must meet all eligibility criteria for dual credit/dual enrollment; be a high school junior in good standing, with a GPA of 3.0, or above, on a 4.0 scale; submit an unconditional written recommendation from their high school principal or guidance counselor; demonstrate appropriate, responsible, and respectful behavior on the high school campus; and demonstrate the maturity to cope with the challenges and relative freedom of a college environment. If pursuing Collegiate Academy or CTE dual credit courses, MGCCC needs to be your exclusive dual credit provider.

Classes

MGCCC may offer up to 29 academic (university parallel) credit hours on site at local high schools each school year, and/or MGCCC may offer up to 14 Career and Technical Education (CTE) program credit hours on site at local high schools each school year. No student will be allowed to accumulate more than 29 total hours at the high school site. Eligible courses are found in the approved Statewide Academic Dual Credit/Dual Enrollment Articulation Agreement. A listing of classes will be agreed upon in writing before each semester begins. Before a class is scheduled, a written request to do so should be submitted to the Dean of Teaching and Learning of the campus responsible for the class. The minimum class size does not matter if the high school is paying the instructor. The classes offered under this agreement are represented in the following table:

MGCCC Normal Tuition/Fees - Tuition = \$180 per credit - Resource Fee = \$20 per credit - Registration Fee = \$125 - Technology Fee = \$200 TOTAL = \$925	CA/DC Discount @ HS - Tuition = \$100 per course - Resource Fee = \$20 per credit Discount of \$765 TOTAL = \$160	CA Discount @ MGCCC - Tuition = \$100 per credit - Resource Fee = \$20 per credit Discount of \$565 TOTAL = \$360

Payment

Payment for dual credit classes and Collegiate Academy shall follow standard MGCCC payment timelines and processes. If payments become delinquent, a fee may be assessed. Costs (tuition and fees) for on-site courses at the high school will be the responsibility of the student and/or legal guardian. The local school will have the responsibility of collecting the required payments from students and remitting such to the college. Students taking traditional postsecondary classes (either seated or online) that are not arranged through this addendum agreement will pay tuition, fees, etc. like any other enrolling student. Dual enrollment students will follow the standard college dual enrollment agreement.

Instructional Considerations

Mississippi Gulf Coast Community College has complete ownership of all dual credit classes. The school district shall agree to all college requirements needed to maintain college compliance with the Southern Association of Colleges and Schools Commission on Colleges (SACSCOC). Such requirements shall include but not be limited to the following:

- MGCCC must vet the qualifications of any instructor, evaluate the instructor, and provide for the professional development of the instructor.

 - If CTE program, participating in the program advisory committee
- The course(s) will adhere to all MGCCC requirements regarding curriculum and student learning outcomes.
- Classes offered at the high school will be subject to minimum and maximum class sizes as determined by the college. The minimum class size does not matter if the high school is paying the instructor. The maximum class size should coincide with MGCCC's established standard.
- The high school may not offer academic courses which combine students enrolled in the college course with students who are only receiving high school credit.
- Instructors will be visited and evaluated in-classroom a minimum of once per year by the Dean of Teaching and Learning or other instructional administrator.
- For administrative purposes, during the time the class is in session, the instructor and students will be under the supervision of the local school administrators.
- The instructional facilities for all courses taught at the high school must meet the MGCCC standard for facilities (documented via MGCCC's OCIS Facility Checklist).
- Students must meet minimum technology requirements to complete courses successfully including a mobile device either to receive an SMS text or the ability to install an authenticator app for Multifactor Authentication (MFA) to access college software

applications.

- In addition to providing the official letter grade of the course for concurrently enrolled students, MGCCC will also provide to the high school the numerical grade as determined by the instructor for courses taught at MGCCC.
