7) Standard Agreement Requests - VIP agrees to provide all services and products listed in the corresponding proposal. To further ensure successful service, substantial event participation, and a sustainable partnership, Visual Image Photography requests that the School agrees to provide the following:

- a. **Access** to students
- b. **Access to photo location/s** prior to an event start time, with adequate space and access to electricity as required for the duration of photography events
- c. **Scheduling, data, and technical support**, such as photo date requests and any information (data, parent/guardian emails, sports rosters, etc.) required to provide photography/ID services, well in advance of corresponding dates and formatted properly as directed by VIP, as well as technical support to assist with Administrator Credentials for software installs, and if the School owns their own ID printer.
- d. **Parent/Guardian Emails and Communication assistance** with families/students regarding photography services, by providing parent/guardian email addresses to VIP, and by using provided informational text, links and digital flyers to post and share alerts and reminders in newsletters, using social media/email, on your website, etc.
- e. **Written (emailed) approval of any required proofs** (ie. class composites, banners, posters, etc.) within seven business days in order to meet any outlined or expected delivery deadlines

8) Additional Conditions and Policies:

- a. VIP offers a 100% money back guarantee (does not apply to our non-refundable digital download orders), a replacement print, or a photo retake if a customer is not completely satisfied with portraits or products.
- b. Customers (students, staff, family members, event attendees, etc.) will be under no obligation to purchase.
- c. All orders will be placed after photo day and will be delivered directly to the address provided by the customer, with a direct-delivery fee added when the order is placed of \$5.95 for shipping and handling added to all school portrait orders less than \$25.00
- d. All images stored indefinitely. For best pricing, families are encouraged to order fall school portraits before January 1st. School portrait package prices increase 10% rounded up to the nearest dollar at this time of year to encourage early participation, and to maximize the value of fall quantity prices and any spring portraits offered
- e. All images are property of Visual Image Photography, Inc., are copyright protected, and are solely for the use of sale by VIP, publishing yearbooks, or authorized promotional purposes with VIP's prior written consent. Permission is not granted to make copies for sale, or other distribution in any manner that circumvents the sale of these images by VIP. The School will inform VIP of any image use in relation to this policy.
- f. The School/Athletic Department agrees to provide photo credit to Visual Image Photography when images are used in authorized print and electronic mediums. Any images used on social media should be the web download size from the VIP Portal. Any group images, state finals, and sports team images will be watermarked with a VIP logo provided by VIP.

- g. VIP will be the exclusive provider of any contracted photography services not described as “optional” herein. The School/Athletic Department will inform VIP of any variation in relation to this, and under certain circumstances to be determined by VIP, VIP may provide written confirmation approving an exception.
- h. VIP will be the exclusive provider of any product using VIP image/s which VIP is able to produce (such as prints, plaques, banners, posters, etc.). When VIP cannot produce the product or under certain circumstances to be determined by VIP, VIP may provide the required limited image release form and may charge an image fee.
- i. A specific number of yearbook service trips (non-revenue generating events before or on photo day) has been calculated to meet the normal needs of the School/Athletic Department, and VIP can be flexible in accommodating varying School needs. Upon request or under appropriate circumstances, VIP does retain the right to charge for trips in excess of the number stated herein at an additional \$125.00 per photographer for the first hour from the scheduled start time and \$30.00 per each additional hour, based on time spent at the event. VIP will notify the School of its intention to exercise that right in advance.
- j. Additional administrative products may be requested at a preferred-customer price (ie. extra sticker prints/principal’s directories can be provided for \$25 per set/booklet, or \$15 per set/booklet when 5 or more are ordered)
- k. High School State Finals images are available to all partners of VIP upon request and are limited to what will be used for school display or in the yearbook publication and qualifying public relations outlets.
- l. Any prices specified are for the first year of the Agreement. VIP shall have the right to make minor adjustments to pricing in subsequent agreement years, by an amount not to exceed the increase in the “Consumer Price Index - Urban Wage Earners and Clerical Workers - Midwest Region - All Items” since the commencement date of this Agreement or the last applicable increase, and Portrait Package Price increases for any renewal term shall not exceed the following: Existing Price, Maximum Increase; Less than \$15, \$1.00; Greater than \$15 and less than \$30, \$2.00; \$30 and over, \$3.00. Once adjusted, prices for any renewal term shall then be fixed for the duration of such renewal. VIP will alert the school of these changes.
- m. If access to students becomes unavailable, or within a school year school picture gross sales do not reach a minimum of \$2500.00 gross profit, the school agrees that complimentary services/products such as portrait photography, yearbook photography service trips, ID cards, etc. may also become limited, and VIP may issue an invoice for services or products already provided
- n. To the School, commission equal to 10% of the gross profit of fall underclass and senior “yearbook only” session package and print product net sales, only to the extent the gross profit from the underclass portrait event exceeds \$2500.00. For the purposes of this agreement, the term “gross profit” shall mean net receipts from an event (as defined in the following sentence) less 30% of net receipts for average refunds and production costs. Net receipts shall refer to total receipts from any individual photography event less any sales taxes included in the price of items sold. Amounts are calculated 21 days after images are made available for purchase, and checks are delivered to the school within 90 days.
- o. VIP agrees that the School/Athletic Department shall have the right, at its sole expense, to have a third party auditor audit the records of VIP to determine that any amounts paid to the School/Athletic Department have been correctly calculated. Any such auditor shall be an independent third party reasonably acceptable to VIP. Such audit shall be conducted at the offices of VIP at a mutually acceptable date. VIP agrees to use its best efforts to accommodate the auditor’s convenience.

- p. The School / Athletic Department agrees to provide student data due two-three weeks prior to when IDs are needed / the first fall photo date, as follows: in either a Microsoft EXCEL compatible format or CSV file (pdf documents are not usable), with only one record per student/staff member, each piece of information in a separate column, and each column clearly labeled at the top of the sheet. All names need to be in their correct form regarding Capital and Lowercase letters (ie. Smith instead of SMITH). Parent/Guardian emails are required for the School to participate in VIP's Family Communication Plan. At least one of the following is required for verification purposes when families order online: parent/guardian email, phone number, street address, student ID #. Staff emails are required to receive complimentary digital downloads, and will only be used for this sole purpose. ID # number/bar code and grade are required to produce ID's.
