Allstars 2026 World Series

We are here today to recognize the amazing young talent the Southwest Community has. Our very own Southwest PONY League was blessed to have 6 teams win the PONY South Zone World Series Championships last summer. Teams from Texas, Louisiana and Florida faced off to claim the PONY South Zone Championship. The following teams did an amazing job representing the Southwest ISD community.

Head Coach

Robert Guzman (Southwest HS Alumni)(Son of Southwest PONY founder)

Father Raul Guzman was the Founding President of Southwest PONY League back in 1992. The Guzman family's dedication to the Southwest Community has been for 2 generations. Coach Robert not only worked on the fields and in the concession stand, but was also the League President for several years. Now he has been able to add being the Head Coach not to 1, but 2 PONY World Series Championship teams.
