

PUTNAM COUNTY COMMUNITY UNIT SCHOOL DISTRICT #535

Recommendation for the Board of Education

Meeting: May 19th, 2026

Item: Approval of Athletics Uniform Rotation through 2033

Recommendation: I recommend the Board of Education approve the uniform rotation for all PC #535 athletics through the 2033 school year. PCHS may require review prior to that time based on the most recent uniform purchase cycle (2029–2030). This rotation schedule is intended to ensure that all teams maintain an appropriate inventory of uniforms while allowing the District to budget responsibly for these purchases on an annual basis.

The rotation schedule serves as a framework for uniform replacement decisions. If teams require additional uniforms at any point due to increased participation, deterioration of existing uniforms, or other program needs, the administration will work collaboratively with coaches to make appropriate purchases that best support students and athletic programs.
