

## PUTNAM COUNTY COMMUNITY UNIT SCHOOL DISTRICT #535

Recommendation for the Board of Education

---

**Meeting:** May 19<sup>th</sup>, 2026

**Item:** Approval of Repair-Replacement Cost Updates to Device User Agreement

**Recommendation:** I recommend that the Board of Education approve the updated device user agreement that includes a tiered insurance coverage structure (see highlighted areas of draft agreement).

The updated repair and replacement costs are more specific by including replacement costs for the enclosure and motherboard. Also, the tiered insurance also sets repair and replacement costs that are directly proportional to the actual expense, ensuring minor repairs are more affordable while significant repairs are appropriately covered by the District and student (or parent/guardian).
