

Agenda Item II-F: Bid Award – Apollo Renovations and Additions Bid Package 2
Presented by: Amy Skaalerud, Executive Director of Finance and Business Services

Background:

Bids for the Apollo Renovations and Additions Bid Package 2 were opened on Tuesday, May 12, 2026 at 2:00 p.m. Central Time. A bid tabulation is attached.

The scope of work in this bid package is for all the building work except for the precast concrete for the building additions which was already approved in a previous bid package. It also does not include site work. There will be a third bid package for the site work at a later date.

The bid included three alternates. Alternates 1 and 2 were for exterior wayfinding monument signage on the site. Alternate 3 was for upgraded flooring in the kitchen that has built in cushioning and eliminates the need for anti-fatigue mats and is easier to clean. All three alternates are being awarded.

There are three bid packages that are not being awarded yet because they are under further review and we are still working on clarifications to determine the low bidders. These are for Contract 3C: Concrete Floor Finishes, Contract 6B: Casework, and Contract 10A: Accessories. A recommendation for bid award for these contracts will be on the June 3 Board meeting agenda. In addition, the district did not receive any bids for work scope 7F for caulking. This will be re-bid at a later date.

This project will be funded with proceeds from the 2025A School Building Bonds.

Administration Recommendation:

The Administration recommends that the Board of Education award the bid for the Apollo Renovations and Additions Bid Package 2 to as follows based on low bids received meeting specifications:

Contract 2A: Demolition – Twin Town Demolition LLC – \$1,338,750
