Background Information:

Schools partner with [Daybreak](#) to provide mental health support to kids and families. It's covered by insurance, including options at no cost to the district. Daybreak services for Manor ISD are being provided free of charge to the MISD school community by a Grant from the Powell Foundation, written by the Manor Education Foundation. We can now provide free online support for every student in MISD.

Since the grant funds were given to MISD to pay for the service, we need to bring this item to the School Board for approval in order to pay the invoice.

Fiscal Implications:

\$84,000 - cover by Grant funds

Administrative Recommendation:

Administration recommends that the Board approve this proposal as the best value for the District and delegate authority for the Superintendent to negotiate and execute the agreement.

Motion Language (fill in the blank):

I move that the board authorize the purchase of Daybreak counseling services for an amount over \$50,000 as submitted.
